* All trademarks mentioned belong to their respective owners.

FLEXIBLE & EVOLUTIVE

InSignage CMS, the software adapted to your needs.

CUSTOMIZABLE CAMPAIGNS AT ANY TIME

Adapted and customizable campaigns thanks to the different modules (weather, RSS Feeds, online/offline website, QR Code events, etc).

CMS IN CONSTANT EVOLUTION

New modules are constantly being developed to meet the needs of the market and companies.

CUSTOMIZED SERVICES ON DEMAND

- Develop modules on demand
- Deploy dedicated clouds in your country on demand*
- Connect the cloud to your server on demand

*in selected countries

The most flexible CMS solution on the market with credit system.

YOU PAY FOR WHAT YOU USE

Only screens with active CMS consume your credits.

ADAPT YOUR SCREEN NETWORK TO YOUR NEEDS

Depending on the seasonality, your events or your offers, choose to put your screens off during the chosen period.

A FAIR SYSTEM

No credit will be used if your screens are inactive for several months.

 **UNLIMITED**

InSignage is an all-inclusive solution, no hidden cost, no extra fees.
 Unlike the majority of CMS solutions available on the market:

UNLIMITED CLOUD CAPACITY

Create as many campaigns as you need with unlimited storage for your content. No extra fees for additional capacity.

UNLIMITED NUMBER OF USERS

No additional fees for new user : create as many users as you need to manage your account.

NEW UPGRADES INCLUDED

Update and upgrade your CMS with new modules and new options with no additional cost.

SUBSCRIPTION – CREDITS

The subscription method is simple with unlimited use.

1 credit =
 
1 screen x
 
1 month

STARTER PACK 3 credits	SMALL SIZE PACK 12 credits	MEDIUM SIZE PACK 48 credits	LARGE SIZE PACK 120 credits
 1 x  3 months	 1 x  12 months	 4 x  12 months	 10 x  12 months
